# GEAR DRIVE!

Join Second Serve NJ and help us through donating new or gently used tennis gear for Greater Newark Tennis & Education (GNTE).

## What is Second Serve NJ?

We are a youth-led drive giving tennis gear a **second life** to empower kids at GNTE through the game and its life-changing lessons.

## About GNTE:

Greater Newark Tennis & Education empowers kids through tennis, building lifelong skills—and your gear can help ignite that journey.

## How you can help:

Drop off new or gently used rackets, shoes, clothes, bags, or balls in the collection bin at your club.
